Statement

Funeral Homes is a look at the design and construction of an environment meant to facilitate people in states of grief and sorrow. All the pieces of a private home are present, but presented and arranged in a manner befitting public spaces.

This series reflects our approach to death... explicit references to it are avoided in the images, and the ambiguity causes an unsettling feeling of familiarity.

Image List

- #1 *Untitled #1, Funeral Homes*
76 x 76cm
Chromogenic print, framed
2006
- #2 *Untitled #3, Funeral Homes*
76 x 76cm
